## COURT DECISIONS.

Notes of Cases Recently Decided,  
Which are of Interest to  
Our People.

DIGESTED BY W. B. MARTIN,  
(Exclusively for Virginian-Pilot.)

NEWPORT NEWS, H. & O. P. D. CO.  
V. N. N. S. R. CO.

Supreme Court of Appeals of Virginia,  
March 16, 1899.

A RESOLUTION OF THE BOARD OF  
DIRECTORS OF A CORPORATION  
DULY SIGNED AND SETTING  
FORTH THE TERMS OF THE  
CONTRACT, IS A COMPLIANCE  
WITH THE STATUTE REQUIRING  
WRITTEN CONTRACTS FOR THE  
SALE OF LAND.

A WRITTEN CONTRACT MUST  
SHOW ON ITS FACE A COM-  
PLETED AGREEMENT OR IT  
CANNOT BE ENFORCED.

This was a suit brought by the New-  
port News Street Railway Company to  
recover from the Development Com-  
pany, on an alleged contract of that  
company to donate \$2,500 and 13 lots  
worth \$2,500 to the railway company  
toward the construction of its road.  
The defense was that the agreement  
was not in writing, and the statute of  
limitations. There was also a demur-  
rer. A resolution of the Development  
Company donating the money and lots  
was proved to have been passed by its  
directors. The lower court gave judg-  
ment for the plaintiff, and the Develop-  
ment Company appealed.

The court says:  
A resolution of a board of directors  
of a corporation duly signed by its  
president and secretary, which suffi-  
ciently sets forth the terms of the con-  
tract, is a compliance with the statute  
of frauds as to contracts for the sale  
of real estate. When, however, such  
a resolution is relied on as the evidence  
of a written agreement, it must, like  
other written contracts, show on its  
face a complete and concluded agree-  
ment between the parties. Nothing  
must be left open for future negotia-  
tion and agreement, otherwise it can-  
not be enforced.

The resolution relied on in the case  
at bar clearly shows on its face that  
the parties had not reached a final and  
concluded agreement. The resolution  
is an agreement to make the donation  
upon certain conditions. The condi-  
tions upon which the donation is to  
be made are, however, not settled, but  
expressly left open for future negotia-  
tion and agreement between the rep-  
resentatives of the two contracting  
parties.

There being no complete and conclud-  
ed contract in writing, the claim of the  
defendant in error rests on an oral  
contract, and the action not having  
been brought within three years, the  
idea of the statute must prevail.  
Reversed.

CAPITAL GAS & E. L. CO. V. GAINES  
Court of Appeals of Kentucky,  
February 9, 1899.

WHEN A GAS COMPANY CON-  
TRACTED WITH A CITY TO SUP-  
PLY GAS TO CONSUMERS AT A  
RATE NOT EXCEEDING \$2 PER  
1,000 CUBIC FEET, IT COULD NOT  
CHARGE THEM METER RENT IN  
ADDITION THERETO.

MONEY PAID THE GAS COMPANY  
AS METER RENT IN SUCH CASE,  
MAY BE RECOVERED BACK,  
THOUGH THE PAYMENT WAS  
VOLUNTARY.

This was an action by Gaines to en-  
join the gas company from refusing to  
supply him with gas and to recover  
money paid in under a contract. There  
was a contract between the City of  
Frankfort and the gas company to  
supply consumers with gas at a price  
not exceeding \$2 per thousand cubic  
feet of gas consumed. The lower court  
enjoined the gas company from refus-  
ing to supply the plaintiff with gas,  
but dismissed his claim for money paid  
to it for rent of meter. Both parties  
appealed. The court says:

It is not complained that the appel-  
lant is charging the appellee more for  
gas than the contract authorized, but  
that it is furnishing a meter to measure  
the gas, which it supplies him at the  
rate of 25 cents per month. So the sole  
question in this case is whether, un-  
der the terms of the contract, it is au-  
thorized to charge meter rent. In Gas  
Co. v. Duane, the court held that the  
company was not authorized to charge  
for the use of meters which it furnishes  
consumers to measure the gas sup-  
plied to them. The court said: "The gas  
meter is the property of the company,  
and is as necessary to the company in  
the measurement of its gas as are its  
works for its manufacture." It is al-  
leged in the answer that at the time  
the contract was entered into the city  
had been supplying gas to consumers;  
that it had been the usage of the city  
to charge meter rent; that such usage  
was known to the parties to the con-  
tract, and that the deed for the city's  
gas plant and the contract  
"were made with reference to said cus-  
tom and usage." Where parties enter  
into a written contract, unless there  
is something in it to negative the con-  
ference, the parties to the contract  
are presumed to have contracted with  
reference to a well established usage; so  
we may say it is well settled doctrine  
that usage known to the parties in en-  
tering into a contract is binding, un-  
less the terms of the contract exclude  
it. Under the contract the appellant is  
entering into a contract with the city  
at the price stated. In Gas Co. v. Du-  
lane the court held that meters were  
necessary to supply gas to consumers.  
It seems to us to follow that where the  
contract fixes a sum that should be  
charged for thus supplying consumers  
with gas, it does, if not expressly, by  
necessary implication, exclude the idea  
of an additional sum for the means or methods  
necessarily employed to supply  
measure the gas. To agree to supply  
gas is, in effect, agreeing to supply  
and deliver the gas. The amount named  
to be paid by the consumers is for gas  
delivered. If an account is to be kept of  
gas delivered, a meter is necessary; and  
as appellant is to deliver the gas at a  
stipulated price, it would be in con-  
travention of the terms of the contract  
to prove a usage which would re-  
quire the payment of a sum in addition  
to that stipulated in it.

Appellee is entitled to recover such

sums as he paid for meter rent for the  
five years preceding the filing of his  
pleading, in which he asserts his claim.  
If the appellant was not entitled to  
collect meter rent under the terms of  
the contract, then honor and good con-  
science require it to be returned, al-  
though the payment was voluntarily  
made. It was not paid on a compro-  
mise. The supreme court of Connecti-  
cut in Northrop v. Graves, said: "We  
mean distinctly to assert that when  
money is paid under a mistake  
of his rights and duty, and which he  
was under no legal or moral obligation  
to pay, and which the recipient has no  
right in good conscience to retain, it  
may be recovered back, whether such  
mistake be one of fact or law, and this  
we insist, may be done both upon the  
principle of Christian morals and the  
common law." This language was  
quoted with approval in City of Louis-  
ville v. Anderson, 79 Ky. 338. The case  
is affirmed on original and reversed on  
cross appeal.

## THE COURTS YESTERDAY.

JOHN A. PRITCHETT ENTERS A  
SUIT AGAINST HIS BUSINESS  
RIVAL.

The case of Nathan McCoy vs. the  
Norfolk and Carolina Railroad occupied  
the whole time of the Court of Law  
and Chancery yesterday. Late in the af-  
ternoon a verdict was rendered for the  
defendant and a motion for a new trial  
was entered by Attorney C. J. Collins,  
counsel for the plaintiff.

McCoy, a colored boy, through his  
next friend, Philip Bowman, asked for  
\$5,000 damages for the loss of his right  
arm while in the employ of the rail-  
road as a brakeman in January of last  
year. Judge D. Tucker Brooke appear-  
ed for the defendant company.

## WANTS DAMAGES AND INJUN- TION.

John A. Pritchett has brought suit in  
the Court of Law and Chancery against  
A. Lieberman for \$1,500 damages, and  
asks the court to enjoin the defendant  
from further engaging directly or indi-  
rectly in the coal, wood and ice busi-  
ness in this city and praying for a re-  
ceiver for the Atlantic Wood, Coal and  
Ice Company, of which Lieberman is the  
alleged proprietor. The plaintiff is re-  
presented by P. J. Morris.

The bill of the plaintiff alleges that  
in October last he bought from Lieb-  
man the name of the Virginia Wood,  
Coal and Ice Company, in Brambleton.  
The defendant, agreeing as a part of  
the bargain that he would not enter in  
to competition with him in business.  
Notwithstanding this agreement, the  
plaintiff avows that the defendant  
shortly afterward entered into the same  
business very near the plaintiff's stand  
and continued to sell to his old cus-  
tomers, and even went so far as to try  
and hire the employees of the plaintiff.  
The plaintiff asks for an injunction and  
asks that Mr. Stanke be appointed re-  
ceiver for Lieberman's business. The  
case will be tried before Judge Martin  
to-day.

## THE CORPORATION COURT.

The charter of the Jenkins Paint  
and Oil Company was amended so as to  
allow the company to increase its cap-  
ital stock from \$10,000 to \$50,000.

## IN THE POLICE COURT.

Henry Upton, colored, charged with  
stealing clothing, was dismissed by Jus-  
tice Tomlin.

John Johnson, colored, a suspicious  
character, was held until Saturday.

Emanuel Smith, a negro driver, who  
ran into the buggy of J. J. Gilliam, in  
Brambleton, and threw him out on the  
street, was fined \$6, and lectured  
against reckless driving.

W. J. Pentress was required to pay  
\$1 cost for malicious prosecution.

James Duggin, a suspected thief, was  
held until Saturday.

eczema, skin diseases, and especially  
Piles, DeWitt's Witch Hazel Salve

dishonest people who try to imitate and  
counterfeit it. It's their endorsement of

## Large Shipments of Truck.

The Old Dominion Steamship Com-  
pany is now running from eight to ten  
steamers weekly to New York to ac-  
commodate the large shipments of  
truck. Last night two steamers went  
out heavily laden with truck. The  
company is now ending and radishes and  
Norfolk cabbage are the principal  
shipments. This is but a sample of  
each of the lines. The Boston and  
Providence steamers are carrying heavy  
shipments, as are also the New York,  
Philadelphia and Norfolk, the Wash-  
ington and Baltimore lines. The sea-  
son is backward, but prices range well,  
and what was delay here was ruin to  
crops further South.

As the season of the year when pneu-  
monia, in gripple, sore throat, coughs,  
colds, catarrh, bronchitis and lung trou-  
bles are to be guarded against, nothing  
"is a fine substitute," will "answer the  
purpose," or is "just as good" as One  
Minute Cough Cure. That is the one  
infallible remedy for all lung, throat or  
bronchial troubles. Insist vigorously  
upon having it if "something else" is  
offered you.

been appointed ticket agent of the same  
company at Lynchburg, for which  
place he will leave next Sunday night.

## Captain Whittle to Lecture.

In the proceedings of Pickett-Bu-  
chanan Camp's meeting held on Tues-  
day evening and published in these col-  
umns yesterday, it should have been  
stated that Comrade Captain W. C.  
Whittle would, at the next meeting of  
the camp, give an account of the es-  
cape of the Confederate steamship  
Nashville from Beaufort, N. C., and  
her running into Georgetown, S. C.,  
March 17th, &c., 1862.

## A Dead Man Brought to Life.

In Paris recently a man was revived  
whose heart had actually stopped beating.  
A daring surgeon cut through the dead  
man's ribcage, exposed his heart, set the  
blood in circulation, and the man breathed,  
opened his eyes and lived. It is probable,  
however, that the rally will be of short  
duration, although this detracts not at all  
from the miraculous nature of the deed.  
If he had kept his bowels regular the dis-  
ease could not have attacked him. Hos-  
pitals' Stomach Bitters is nature's  
strongest ally. When our laws have been  
repeatedly disregarded, when a tired  
stomach has been abused until indiges-  
tion, constipation and biliousness are the  
result, then the Bitters proves its effi-  
cacy. It will help nature restore the  
brightness to the brain and health and  
vigor to the body. For nervousness, weak-  
ness of all parts, malaria, fever and ague,  
liver and kidney troubles—all of which  
arise from a weak stomach—it cannot be  
equalled. Your doctor would be the first  
to recommend it.

pate in a birthday party given in honor  
of Miss Ethel D. Carr's 9th birthday.  
She was the recipient of many beautiful  
presents. The following little folks were  
present: Misses Georgia Walters, Eu-  
genia Jones, Louise Guy, Alma Walters,

## CURES WITHOUT PAIN.

One of the Best Features of the New  
Pile Cure.

The Pyramid Pile Cure cures all forms  
of piles without one particle of pain. This  
desirable point is not obtained by the use  
of surgery or operations which simply de-  
stroy and paralyze the nerves of the parts and  
make matters worse in the long run. But  
it is done solely by its remarkable heat-  
ing and soothing effects.

And while it thus gives immediate re-  
lief, at the same time the disease is not  
merely checked, but a radical cure is ac-  
complished.

And the point we want to make clear  
is that this is done without a particle of  
pain.

This fact is one great reason for the  
popularity of the Pyramid Pile Cure and  
constitutes one very great difference be-  
tween it and almost any other treatment  
for piles.

Every kind of surgical operation for  
piles is excruciatingly painful besides en-  
dangering the life of the patient, and in  
most cases is not to be compared with the  
Pyramid Pile Cure, neither in making  
successful cures without pain nor in  
cheapness and safety.

The Pyramid Pile Cure has been before  
the public so long, and its merits recog-  
nized by too many people to allow it to  
be classed with the many false, suppo-  
sitive, pills, etc., and you run no risk in  
trying it, as it is often the case with un-  
tried preparations.

If you are ever troubled with any form  
of piles or rectal disease do not forget the  
Pyramid Pile Cure. Prepared by the Pyra-  
mid Drug Co., of Marshall, Mich., and  
sold by druggists at 50 cents per package.

nue is making satisfactory progress.  
With no further interruption the con-  
tractors expect to complete the entire  
system of sewerage in six months.

There was no perceptible change in  
the condition of Mr. George M. Mer-  
edith last night.

Mr. Harvey L. Taylor, of West Bran-  
bleton avenue, had a narrow escape  
from death Monday night. He was eat-  
ing his supper when, by mistake, he  
partook of some meat from a plate on  
which his wife had spread Rough on  
Kats to destroy those troublesome ani-  
mals, and was only saved from death  
by using a strong emetic, prepared by  
Dr. L. R. Childs. He is still suffering  
from the effects of the poison.

Mrs. Williams, wife of Rev. L. T. Wil-  
liams, is quite indisposed at the Metho-  
dist parsonage, on Malby avenue.

Editor Virginian-Pilot:  
What in the world is coming next?  
What can be the matter with our city

my!! my!!! Isn't it awful? Won't  
some member of the City Council, who  
voted for the reduction of the liquor  
license, please explain to an outraged  
public how the best interests of this  
community have been conserved by the  
action of that body? A short while ago  
we had no money with which to give  
our police officers honest living salaries,  
but to-day (only a few days later) we  
have about \$12,000 to donate to the  
whiskey interests of our city. Consist-  
ency, thou art a jewel! God save Nor-
